

TABLE OF CONTENTS

Acknowledgements.....	iii
-----------------------	-----

Chapter 1

Introduction: Labor's Power and Industrial Performance in Comparative Perspective.....	1
- The Problem.....	1
- The Theoretical Context.....	3
- Production Politics: Framework and Hypotheses.....	14
- Research Strategy and Design.....	23

Chapter 2

Production Politics: Labor, Power, and Efficiency.....	33
- The Control, Organization, and Flexibility Perspectives.....	36
- Production Politics and Efficiency.....	75
- Production Regimes of Labor Inclusion.....	90
- Measuring Labor's Power and Industrial Performance.....	105

Chapter 3

Segregation in U.S. Auto Production.....	117
- The Legislation of Segregated Inclusion.....	117
- The Institutionalization of Segregated Inclusion.....	138
- The Performance of Segregated Inclusion.....	162
- Conclusion.....	220

Chapter 4

Jointness: Reluctant Desegregation in U.S. Auto Production.....	223
- The Crisis of the 1970s: The End of the Line?.....	224
- 1982: Introducing Jointness.....	234
- 1984: Extending Jointness.....	246
- Two Important Details: NUMMI and Saturn.....	253
- 1987, 1990, 1993: Affirming Jointness	258
- Jointness at Ford, Edison, N.J.....	267
- Labor's Power, Decision Making and Substantive Outcomes of Jointness.....	274
- Conclusion.....	295

TABLE OF CONTENTS
(continued)

Chapter 5

Integration Through Representation
in German Auto Production.....298

- The Production Regime: Labor Integration
through Representation.....299
- Labor's Power and Redistributive
and Productivist Outcomes.....321
- In Search of Industrial Efficiency.....335
- Training, Financing, Networks,
and Corporatism as Intermediate Variables.....345
- Labor's Power and Industrial Performance.....358
- Conclusion.....371

Chapter 6

Integration Through Incorporation
in Japanese Auto Production.....374

- The Production Regime: Labor Integration
through Incorporation.....375
- Labor's Power and Redistributive
and Productivist Outcomes.....397
- In Search of Industrial Efficiency.....408
- Training, Financing, Networks,
and Corporatism as Intermediate Variables.....414
- Labor's Power and Industrial Performance.....422
- Conclusion.....436

Chapter 7

Conclusion: The Normative and the Pragmatic
in Production Politics.....440

- Quantitative Indicators of Labor's Power
and Industrial Performance.....444
- Coincidence, Covariation, Causality:
Labor's Power and Industrial Performance.....457
- Alternative Explanations of Labor's
Fortunes and Regime Performance.....459
- Bringing Labor Back In.....465

Bibliography.....472

Appendix.....498
