

## About the ITF

### Activities

	Issue	Page
The seafarers' reaction to the McCarran Act (by O. Becu)	2	17
We are satisfied, Mr. Censor (Confiscation of ITF Press Report containing protest against execution of Imre Molnar)	2	20
The case of Franco Spain	5	65
European transport - the unsolved problem (by P. Tofahrn)	5	67
Wanted - a policy for the short sea trades (by O. Becu)	6	81
A fair deal for civil aviation personnel (by O. Becu)	7/8	97
Near-chaos on railways in Eastern Germany (by P. Tofahrn)	7/8	105
Voluntary cooperation between road and rail (by R. Bratschi)	9	131
The ILO Asian Maritime Conference (by O. Becu)	10	145
The flight crew complement problem (by O. Becu)	11	161
The Asian Maritime Conference in retrospect (by O. Becu)	12	177
The Rome International Railwaymen's Conference (by P. Tofahrn)	12	179

### Personalities

Edo Fimmen - an appreciation (by J. H. Oldenbroek)	1	1
A Hungarian trade unionist recalls Edo Fimmen (by K. Peyer)	1	3

## Transport Workers (general)

### Canada

Working hours in Canadian transport	3	47
-------------------------------------	---	----

### Germany

Benevolent society for German transport workers	6	89
Trade unions at German transport exhibition	9	135
The OTV International Summer School at Mosbach	12	183

### United States

Women in American transport	4	57
US unions sponsoring symphony concerts	9	137

## Railwaymen

### International

#### ITF

The Rome International Railwaymen's Conference	12	179
--	----	-----

### Europe

Staff employed on European railways at end of 1950 and 1951	7/8	102
---	-----	-----

### Canada

Working hours in Canadian transport	3	47
Canadian rail brotherhoods want establishment of national transport policy	6	89
Canadian railwaymen's wages up 110 per cent since 1926	6	90

### Czechoslovakia

Czech railwaymen sabotage 'socialist competition'	4	54
---	---	----

### France

French trade unionists study American railways	1	10
French railwaymen and increased productivity	2	24
French railwaymen on strike	9	129
Fewer staff on French National Railways	9	134

### Germany

German railway official flees to Western Zone	1	10
Ivan follows through (arrest of railway employees in Eastern Zone)	2	20
The new disciplinary code on the East German railways	2	21
New device makes signalmen redundant	3	35
Military training for East German railwaymen (illus.)	3	35
Near-chaos on railways in Eastern Germany	7/8	105
A railway journey in the Soviet Zone	7/8	107
Trade unions at German transport exhibition	9	135
The German railwayman in the Soviet Zone	12	190

### Great Britain

Welfare on the British railways	5	75
British Railways medical services	7/8	109
Training the footplate staff	9	138

### Hungary

In the shadow of the gallows (execution of Imre Molnar)	2	19
We are satisfied, Mr. Censor (Confiscation of ITF Press Report containing protest against Molnar's execution)	2	20

### India

The unhappy lot of the Indian train clerk	4	55
Hours of work on Indian railways	4	56
Joint negotiating machinery on Indian railways	4	56

### Netherlands

Medical care on the Netherlands railways	10	150
--	----	-----

### Norway

60 years of the Norwegian Railwaymen's Union	1	4
60 years of the Norwegian Locomotive-men's Union	1	165

### South Africa

Over 200,000 employed on South African railways	6	90
---	---	----

### Sweden

Operating and maintenance personnel statistics 1914-50	5	72
--	---	----

### Switzerland

Post-war increase in Swiss Federal Railways traffic 1937, 1945, 1951	2	25
--	---	----

### United States

US rail workers set new productivity record	1	10
French trade unionists study American railways	1	10
The union shop on the US railways	3	33
Television - new aid for railway workers	3	36
Road and rail accidents in the United States	4	57
Women in American transport	4	57
Diesels replace steam on US railways	6	90
Social insurance on the US railroads	6	91
US railroads' safety record	6	91
End of US rail-air wage board	6	91
New UNESCO head is former railwayman	7/8	103
US railroad employees and their compensation	7/8	103
Employment and wages on US railroads in 1952	7/8	104

## Passenger transport workers

### Canada

Developments in Canadian urban transportation	6	87
---	---	----

### France

Portrait of a French trade unionist	11	168
-------------------------------------	----	-----

### Netherlands

Successful negotiations in Dutch road transport	11	172
---	----	-----

### South Africa

Equal pay for equal work in South Africa	9	139
--	---	-----

### Sweden

Swedish taxi-drivers 'armed'	7/8	103
------------------------------	-----	-----

### United States

US unions sponsoring symphony concerts	9	137
--	---	-----

## Road transport workers

### Europe

The United Nations and road safety	4	52
ECE formulates physical and mental standards for drivers	5	74
The ECE and the prevention of road accidents	7/8	116

### Canada

Working hours in Canadian transport	3	47
-------------------------------------	---	----

### France

Psychotechnical examinations in road transport	10	159
--	----	-----

### Great Britain

Road safety and acuity of sight	1	9
---------------------------------	---	---

### India

The rôle of the worker in Indian road transport	2	27
---	---	----

### Netherlands

Successful negotiations in Dutch road transport	11	172
---	----	-----

### Poland

Driving round the clock in Poland	12	191
-----------------------------------	----	-----

### Russia

They've still got a long way to go!	3	46
A Russian lorry driver's lament	10	155

### United States

Meet Mr. Truck Driver	4	49
Road and rail accidents in the United States	4	57
Don't fall asleep at the wheel	5	72
Wage increases in US trucking industry 1952	5	73
US unions sponsoring symphony concerts	9	137
Speed not main cause of accidents?	10	156

## Inland waterway workers

### Belgium

The inland waterways industry in Belgium	7/8	119
--	-----	-----

### France

New school for children of French inland waterway workers	2	26
Health service for French boatmen	10	160

### Netherlands

New training school for Dutch Rhine boatmen	2	26
---	---	----

**Dock workers****Belgium**

Out of the ashes (De Mick) 12 185

**Great Britain**

Dockers' hooks are dangerous 7/8 119

**Seafarers****International****ITF**

Wanted - a policy for the short sea trades 6 81

**ILO**

New pictorial exhibit illustrates ILO's work for seafarers throughout the world 3 40

Maritime labour within the ILO during 1952 7/8 121

The ILO Asian Maritime Conference (Nuwara Eliya) 10 145

The Asian Maritime Conference in retrospect 12 185
