### ITUC Condemns Terrorist Attack on Synagogue, Calls for Calm

Brussels, 19 November 2014 (ITUC OnLine): The ITUC has condemned Tuesday's bloody attack on a Jerusalem synagogue which left four worshippers and one police officer dead, and several others injured. The two perpetrators were members of the Popular Front for the Liberation of Palestine which, along with Hamas, praised the attack.

"This appalling attack in a place of worship was intended to provoke a deepening of the spiral of violence, at a time when tensions in Jerusalem in particular are especially high with several other Israelis and Palestinians losing their lives in recent weeks. We call on all parties to act with restraint, and in accordance with the rule of law," said ITUC General Secretary Sharan Burrow. "Extremist groups will continue to exploit the growing desperation of Palestinians and the fears of ordinary Israelis, putting peace and security in the region at yet higher risk. The only acceptable way forward is for a negotiated settlement of the conflict, resulting in a two-state solution in accordance with the legitimacy of international law."

The ITUC represents 176 million workers in 161 countries and territories and has 324 national affiliates.
