## Important invitation to PSI affiliates! A Global Agenda for Quality Public Services conference

The Council of Global Unions, which includes Public Services International and ten other global union federations, plus the International Trade Union Confederation and the Trade Union Advisory Committee at the OECD, is organising the landmark conference "A Global Agenda for Quality Public Services" from 12-14 October 2010, in Geneva, Switzerland. The deadline is 9 June for pre-registration applications.

## Trade union rights global overview

Trade union rights are being violated in many countries around the world such as Colombia, Turkey, Swaziland and Iran. PSI is actively supporting its affiliates in these countries as trade unions fight to maintain these basic human rights.

### The Story of Bottled Water

The Story of Bottled Water is a short online video presented by the Story of Stuff Project that tells the story of manufactured demand, or how to persuade consumers to buy bottled water. The film explores the bottled water industry's attacks on tap water and its use of seductive, environmental-themed advertising to cover up the mountains of plastic waste it produces.
