## PSI General Secretary wishes all affiliates a Happy New Year!

[As we approach the last days of 2013, I would like to wish everyone a happy end of year and to look forward to the year ahead, which I hope will be more peaceful and just for all.](#)

## WTO: PSI says no trade in public services

**in public services**

The official package agreed in Bali and released with great fanfare on 7 December demonstrates how unbalanced the global trade agenda still is. [More](#)

## International Migrants Day

Public Services International joins the international community in commemorating the millions of migrant workers and their families all over the world and re-affirming our commitment to uphold their dignity and human rights. [More](#)

## See new video on Guatemala

Members of the European Parliament recently heard a special presentation from PSI and leaders of the National Health Workers' Union of Guatemala on why special free trade provisions should be suspended with Guatemala until the deadly campaign against trade unionists is ended in that country. Guatemala health workers share their stories in PSI's new documentary. [More](#)

### Connect with us

[Public Services International](#) is a global trade union federation representing 20 million working women and men who deliver vital public services in 150 countries. PSI champions human rights, advocates for social justice and promotes universal access to quality public services. PSI works with the United Nations system and in partnership with labour, civil society and other organisations.
