Join PSI's campaign for tax justice

Public Services International invites all affiliates to join in the global campaign for tax justice. Many PSI affiliates are already taking action on this front. Now, major NGOs and progressive organisations are also on board, supporting our message that fair taxes are needed to fund the public services that can end poverty and inequality. [Read more.](#)

communiqué

Ninety affiliate leaders of Public Services International, headed by 36 Executive Board titular members, met 16-17 May 2013 in Geneva, Switzerland to discuss issues facing public service workers and to adopt PSI action priorities for 2013 and beyond. Here are the highlights from the meeting. [Read more](#)

Connect with us

Public Services International is a global trade union federation representing 20 million working women and men who deliver vital public services in 150 countries. PSI champions human rights, advocates for social justice and promotes universal access to quality public services. PSI works with the United Nations system and in partnership with labour, civil society and other organisations.
