

PSI names the 325 health workers killed by Ebola

They died on the job in Liberia, Sierra Leone and Guinea, trying to save lives and contain the Ebola outbreak; victims of a deadly virus and the failure to invest in public health systems. PSI honours their sacrifice and pledges to strengthen the fight for for quality public healthcare for all

Ebola: PSI urges G20 to act on public healthcare

Prior to the G20 in Brisbane, PSI briefed Australia's public sector unions on the Ebola situation and urged the G20 to implement promised measures to make large multinational corporations pay fair tax. [More](#)

Open TISA to public debate, say experts at first global forum

From education to transport, from finance to health. The new Trade In Services Agreement (TISA) is posing serious threats to quality standards in various public sectors that affect the lives of citizens. [More](#)

Newly re-designed PSI website

We are proud to share our newly re-designed website: www.world-psi.org. We hope you enjoy this fresh new and modern look. We will continue to tweak, enhance and update the website with the aim of improving your user experience in navigating the site and finding relevant and useful content.
