

Lack of funding for public services plays vital role in Zika epidemic

[This crisis demonstrates once more that underfunding and massive privatisation of public health services have led to an absence of preventative measures to contagious diseases - which combined with the effects of climate change produces the perfect environment for their proliferation.](#)

Trade unionists killed and arrested in Turkey

Sanitation worker Mehmet Kaplan, father of three children and member of PSI affiliate DİSK/Genel-İş Union in Cizre Municipality (Şırnak), was shot dead on 17 January in front of his house while another worker was seriously injured and a further three arrested in separate incidents. [More](#)
