

UN: Investments in global health workforce will create jobs and grow economy

[PSI General Secretary Rosa Pavanelli joined the Presidents of France and South Africa in New York on 20 September to call for urgent public investments globally to create new jobs in the health sector.](#)

UN High Level Summit on Large Movements of Migrants and Refugees

In addressing the large movements of migrants and refugees, our message is clear: States have the ultimate responsibility to protect the human rights of migrants and refugees. We need to see this responsibility shared fairly, concretely and without delay. [More](#)

International delegation visits Korea over union persecution

Korean trade unionists held a general strike on 27 September in protest of ongoing regressive labour reforms in the country, including the Park Geun-hye government's imposition of a discriminatory

After TTIP deal upended, leaks call TiSA into question

Greenpeace has joined trade unions and civil society in condemning the Trade in Services Agreement after new leaks released by Greenpeace Netherlands office showed the deal would restrict governments' ability to implement climate change action. [More](#)

Guatemala: PSI mission to check progress on roadmap

A PSI mission headed by its General Secretary, Rosa Pavanelli, visited Guatemala from 28 August to 1 September to observe in situ the progress on the Roadmap agreed with the ILO. [More](#)

Public Services International is a global trade union federation representing 20 million working women and men who deliver vital public services in 150 countries. PSI champions human rights, advocates for social justice and promotes universal access to quality public services. PSI works with the United Nations system and in partnership with labour, civil society and other organisations.
