

Upcoming Event: Regions Refocus 2015 Fostering Regional and Feminist Solidarities for Justice

January 26 2015
8:30am-4:00pm
Ford Foundation
320 East 43rd Street, New York, NY 10017

In 2015 the world's governments will define a global agenda for sustainable development, amidst global trends of rising inequality, declining economic growth rates, and mega public-private partnerships that accelerate the scramble for resources, assets, and markets.

Friedrich-Ebert-Stiftung, New York Office is pleased to invite you to the launch of Regions Refocus 2015, a report based on nine regional workshops between policymakers and civil society held from June 2014 through January 2015. The report identifies and advances progressive policies, rooted in regional perspectives, to restructure economic, ecological and social relations towards justice.

To RSVP kindly email Kathryn Tobin, katie@regionsrefocus.org. All are welcome.
